

SKILLS PRACTICE SCENARIOS

SCENARIO B

In playing this role, you should adopt the age group of your listener's young people

- Your dog is really old and your mum/dad has said that it would be kinder to put him to sleep.
- He was your nan's dog and she died last year. He is a link with her.
- You're really scared of what life will be like without Monty.
- Every day you take Monty for a walk with your brother, and you're frightened this won't happen anymore.
- You tell Monty everything, he is your confidante and best friend.
- You're scared because you won't see him any longer and you're worried that your mum/dad/brother might leave you too.

SKILLS PRACTICE – BE BACK IN THE MEETING FOR **xxxx**

During Skills Practice:

1. Go to your Breakout Room in Teams
2. Pairs work on SP1 for 5 minutes, then a 5 minute debrief with partner
3. Pairs reverse roles and work on SP2 for 5 minutes then 5 minute debrief with partner

We all come back together at **xxxx**
